

Welcome

- ▶ Please remember to **mute your audio** when you're not speaking.
- ▶ Type your **name, credentials, email, and facility name in the "chat box"** in so we can keep track of everyone in attendance.
- ▶ As part of participation in this ECHO session, we ask that you have your **cameras turned on** in order to build a more engaging community of practice.
- ▶ Asking questions: When wanting to ask a question, you have 2 options...
 - ▶ Unmute and ask the question, or
 - ▶ If you don't want to interrupt to ask, you can utilize the chat feature to ask your question and the hosts will ask the question when there is a chance.

Prevention and Stopping the Spread of COVID-19 in Nursing Homes

ECHO CAN Goals

Keep SARS-COV-2 from entering nursing homes.

ID residents and staff who have SARS-COV-2.

Prevent the spread of SARS-COV-2 between staff, residents, and visitors.

ECHO CAN Goals

Provide safe and appropriate care to residents with mild and asymptomatic cases of SARS-COV-2.

Ensure staff have the knowledge, skills, and confidence to implement best-practice safety measures to protect residents and themselves.

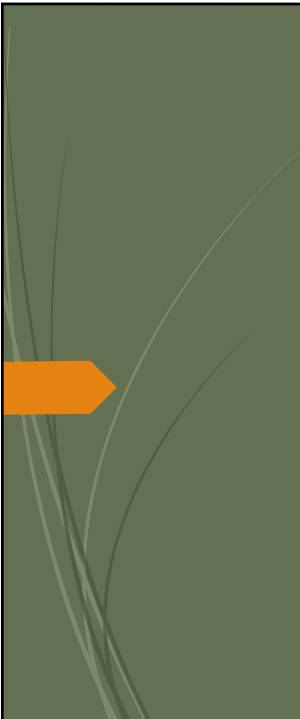

Reduce social isolation for residents, families, and staff.

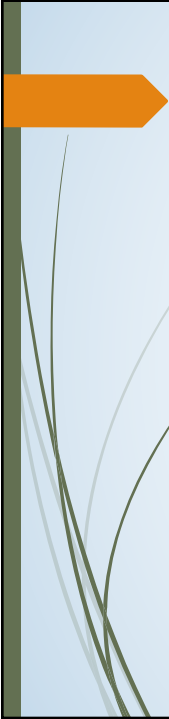

16-Week Curriculum Topics
