

FREE, virtual caregiver training program

Join us for a series of learning sessions (Sessions are 30 min to 1 hour)

The caregiver will learn about:

- Understanding dementia and diagnosis
- Caregiving for a person living with dementia
- Care options
- Understanding dementia-related behaviors and communication changes (2 parts)
- Personal care and meaningful activities
- Caregiver self-care

REGISTRATION REQUIRED, contact Julie at japraskamoser@alz.org or 701.775.8544

Maximum of 8 registrants per series. Register today to secure your space!
